

ELIAS BAKHSHI

SOFTWARE ENGINEER

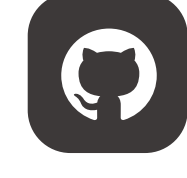

A passionate software engineer currently working at Blekinge Institute of Technology (BTH). My journey as a developer started when I was 12 years old, and I thrive in collaborative environments where I can contribute with my creativity and problem-solving skills. My goal is to use my knowledge to create innovative solutions that have a positive impact.

EXPERIENCE

Beebyte
Web Developer
Oct 2019 – Jun 2020

Customized WordPress plugins, integrated the company's monitoring system (Iris) with Slack, and redesigned the company's FAQ.

Inter-Data
Full Stack Developer
Aug 2019 – Apr 2022

I developed multiple portals in a team, connecting them to an automation system (n8n.io) and focusing on UX/UI design.

Karlstad Innovation Park
Change Maker
Feb 2022 – Mar 2022

An innovation lab where we developed ideas and solutions to create meaningful leisure activities and inspire hope for the future among young people as a part-time job.

Valentin Experience
Full Stack Developer
Apr 2022 – Feb 2023

Worked on projects for Volvo and Göteborg & Co., focusing on CI/CD, Agile (Scrum), AWS configuration, and UX/UI design.

Tromb
Full Stack Developer
Mar 2023 – Jul 2023

Developed and designed projects using CI/CD for automatic deployment, Agile (Scrum) methodologies for project management, and a strong focus on UX/UI design.

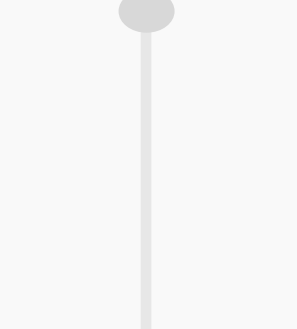

Website Service
Web Developer & CEO
Nov 2018 – Aug 2024

I started as a young entrepreneur, then launched my own company with the same name and worked as a consultant for other businesses as side hustle.

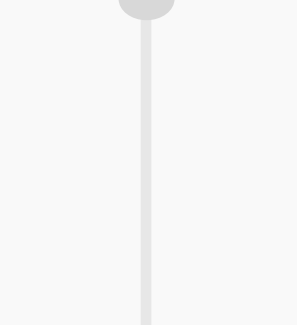

BTH
Prepp Leader
Aug 2024 – PRESENT

I provide support for new students at BTH and give tips on studies, social activities, training, creating contact areas, housing, etc, as a part-time job.

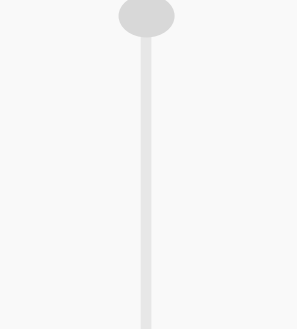

Student Ambassador
Okt 2024 – PRESENT

I represent BTH at various student fairs and get in touch with those who are looking for their future education as a part-time job.

Innovation Ambassador
Dec 2024 – Feb 2025

I organize events and support students in turning their ideas into businesses or products as a part-time job.

Student Mentor
Aug 2024 – PRESENT

I support students who need extra help with their studies as a part-time job.

Teacher's Assistant
Oct 2024 – Present

My colleagues and I support students who want to learn the programming language C++ as a part-time job.
